

LT262- Candolim

2 BEDROOMS

ABOUT THE VILLA

- This is a two-bedroom cottage set as a one storey structure and is ideal for two couples or a family of four. Both the rooms have attached bathrooms and balconies that overlook the lush gardens of the Villa
- A walk down a pathway leads up to the set of steps that take you to the landing of the cottage. Here you break into two sections, one being the room on the ground floor and the other at the end of a beautiful stairway, on level one. Stressing on the luxuriant, natural environment the interiors focus on a minimalist use of furniture with warm colours as upholstery, while the fixtures and pieces give a very earthy feel.
- Both the rooms have glass-encased doors that face a sit-out verandah, which overlooks the main LT560 Villa's gardens. The sit-out veranda and private lawns in front of and behind the stay have quaint furniture, that is sure to make you feel relaxed.
- A short pathway surrounded by varied plantation of bougainvillea, frangipani, cashew and coconut trees leads you to the in-house spa, followed by a full size swimming pool, a covered beach side sit-out and finally the Candolim Beach
